*Dear friends,*

*I hope to find you healthy!*

*During these times it's already half the battle.*

*It seems unreal what we are living now and it's a hard time for all of us, so let's respect the policies and safety anti covid-19 measures.*

*Joined all together we'll get through this faster.*

*In the hope of getting back soon our normal lifes and freedom, wish you health and happiness.*

*I can't wait to meet you all again in a big tournament.*

*The President*
